The best of luck
To you, Smoke.

To Miss Bernice Emmert

Her winning smile and her pleasing personality have made her a special teacher to all of us. She has an endless list of admirable characteristics which has set a perfect example for the student body. Working faithfully at her posts of freshman class advisor and student council advisor, she has become a favorite of everyone. With these virtues in mind, we dedicate our annual.

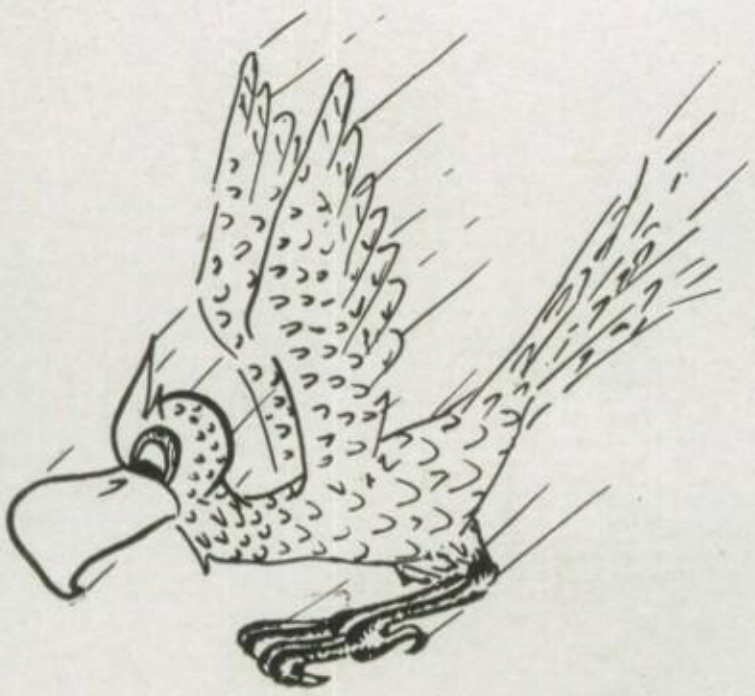
Senior Class

Shortly after we started school on September 4, 1946, the respective class meetings were called and the election of class officers was held. The seniors elected to office were:

President .....Jim Mueller
Vice-President .....Floyd Froelick
Secretary-Treasurer .....Jean Freidel



Our senior class was far from backward. There was always plenty of activity which the seventy-nine graduating students provided. It's hardly possible that any of them will ever forget their Junior Prom, "Southern Fantasy". The dance which high-lighted their senior year was their Mid-Winter formal under the supervision of their Annual advisor, Miss Carol Corpe. The class had athletes galore and the girls had both beauty and brains.

Along with their many other accomplishments, their class advisor, Miss Ellen Marshall, helped them produce two of the best class plays ever presented in the high school auditorium, "Where's Laurie" in their junior year and "June Mad" in their senior year. The Class has a wide variety of talents and is bound to succeed in their future years.

FIRST ROW: Delores Walters, Jo Anne Peterson, Violet Murray, Rosemarie Willms, Norma Hauser, Phyllis Erdmann, Lois Haberman, Marie Schultz, Lois Schmidt, Jean Buelow, Gladys Jacobs, Myrtle Schwartz. SECOND ROW: Patricia Werner, DeLaine Frohmader, Barbara Widman, Ruth Sachs, Geraldine Riedl, Dorothy Herde, Harriet Heger, Doris Haustad, Jean Higgins, Miss Rankin. Junior Class

The Juniors were quite thrilled with the idea of being upper classmen when they entered school this fall. They elected their class officers, and the students who were honored were:

President .....Charles Aumann
Vice-President .....Alden Braedlow
Secretary-Treasurer .....Gladys Jacobs

Of course, like all junior classes, their first thoughts soon turned to the biggest affair of the year, the junior prom, which was under the expert supervision of their class advisor, Miss Ruth Rankin. It wasn't long before the plans were completed and the royalty chosen. Decorations were soon under way to provide a spectacular spring prom. Along with all this excitement came another major moment, that of their first high school class play which was bound to be a success. Their class was an energetic one and they possessed the same fine qualities and characteristics of their predecessors.

FIRST ROW: Ralph Behnke, Alvin Hachtel, Carl Schutt, Bill Shannon, Joe Hauser, Wayne Notbohm, David Barnes, Kenneth Buchta. Sophomore Class

"One grand year finished and only three more short years to go!" That was what was on the minds of most of these students when they were registering last fall. According to custom the class held its election. After casting their votes they found that they had elected:

President .....Sally Blumenstien
Vice-President .....Eugene Guttenburg
Secretary-Treasurer ....Marianne Vogel

There are a lot of things that this class has offered to its Alma Mater already. Just to name a few, there are, of course, a good many promising athletes, both on the football gridiron and the basketball court. Then to cheer the boys on to victory, on the side lines sat the newly formed organization, the Junior cheerleaders. The up and coming sophomores filled their days with both work and entertainment. Now that their sophomore year is finally finished, their only regret seems to be that they now have only "two short years to go".

FIRST ROW: Robert Morrow, Wayne Harter, Dale Donovan, Jerome Woodward, William Mertens, Richard Pooch, Richard Walthers, Raphael Bauer, Marvin Johnson, Douglas Collins, Donald Shannon. Freshmen Class

The little freshies, after finishing their grade school education, found high school life entirely different from their former life, especially the first few days of school. They learned to know new faces and make new friends. At their first class meeting they selected officers who were to serve them throughout this year. They are:

President .....Clayton Thelen
Vice-President .....Donald Shannon
Secretary .....Nancy Schroedl

This year the freshies had it easy for they had no real responsibilities to speak of. The boys got their start in the different fields of sports this year, and from some reports we should have a promising team in the future years. The first really big project which they acquired was the F. F. A. Carnival. This proved to be more fun than work for them. The freshies have an energetic and enthusiastic class which will develop into a very promising class.

Student Council

The student council . . . the voice of the students, it's much the same thing. These twenty students have been chosen by the student body as a whole to act as the medium between pupils and teachers. Of course all classes are not represented equally, for the upper classmen hold the majority. The senior class has eight representatives and the junior, sophomore, and the freshman classes have four each. The officers for the year are elected by the student council itself and any member is eligible to hold office. This year's election put into office:

President .....Jerry Stuber
Vice-President .....Carolyn Biederman
Secretary-Treasurer .....Bill Notbohm

The main object of the student council is to help the student body govern the school the way they think is best.

They attempt to improve the school itself by controlling the students in the halls and on the campus and also by scheduling fire drills.

The council has newly become a member of the tri-city council, including Beaver Dam and Watertown. This council was set up for the purpose of bettering the student council of each of the individual schools.

Annual Staff

We have worked diligently this year to produce an annual which we all hope its readers will enjoy. Our chief aims have been to tell the living history of the year and to bring back memorable occasions of campus life to the members of the student body.

We wish to express thanks to all associates, faculty and students who have helped us in the creation of our yearbook.

Senior Band

This year under the supervision of a new director, Mr. Robert Mueller, our band has made splendid progress. Whether it was marching at football games or in a parade, playing at a concert or at pep sessions, the band was always ready to help out wherever it was needed. Much credit should be given to the band members, for the student body and the townspeople appreciate them and their music a great deal.

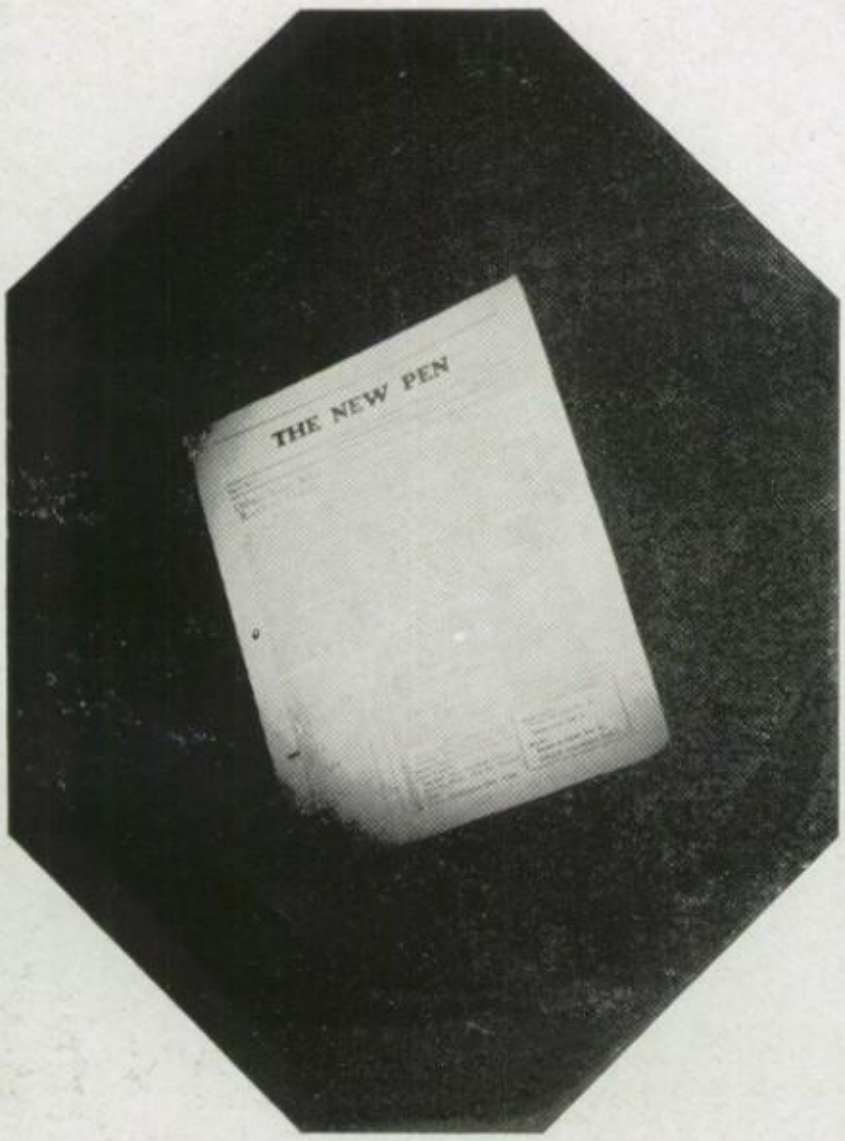
Publisher's Club



Although only active during the first semester of the year, the Publishers' Club did a great deal in caring for the publicity of school activities. It was the responsibility of this club to type and run off the articles which the Co-Editors of the "Pen Staff" had arranged. After the reporters of the staff had handed in their respective articles for the week, the Co-Editors of the "Pen" laid them out and proof read them. From there on it was the responsibiiity of the Publishers' Club to get the paper out on time, and they really did a fine job.

It was their aim, not only to tell the news of the school and the social events, but also to sponsor dances and activities. Altogether they were an all around active organization.

Pep Club

The Pep Club lent their vitality and energy to back their school teams at every game. Whether the sport were football, basketball or baseball, these kids were there to help bolster the morale of the team. The Pep Club led the crowd through many cheers. Their cheers we're sure were greatly appreciated by the team.

Majorettes

At the head of every band there appears a group of smartly dressed, snappy majorettes and our band is no exception. Much credit should be given to Pat Shannon, the senior majorette, who was the captain of the corps.

F. F. A.

One of the largest organizations in our school which contains the boys on whom the major portion of the burden of future economy depends. The Future Farmers of America has been a very busy club this year. On Nov. 16, 1946 they held their third annual carnival which was a huge success. There were numerous field trips and projects which were a great help to these high school boys in the study of agriculture. Under the supervision of their director, Mr. Muellen, the boys' knowledge of the methods of scientific farming has been greatly widened.

Carnival

One of the main events held each year at J. H. S. is the F. F. A. Carnival. The project was started three years ago and has increased steadily ever since. Each year just before carnival time each class and all the clubs start working on their many various attractions. About a week before the set date, several senior girls are elected to run for the honor of being queen of the carnival. Each candidate then chooses her escort and begins her election campaign. The night of the carnival is brought to a climax by the crowning of the queen and her escort and the presentation of a wide selection of door prizes.

Homecoming

After our homecoming victory over Evansville, the J-Staff sponsored a dance in honor of the boys. The highlight of the evening was the crowning of the king and queen and announcement of the court from which they were chosen. Bob Hudson and his orchestra furnished the music. Everyone enjoyed the evening and the dance was a big success.

They were ably assisted by Jane Mueller, Joan Lehman, Mary Garding and Grace Zautner, the "B" team cheerleaders. Much credit to both groups for their unceasing efforts.

On the night of December 18, 1946 in the high school auditorium, the senior class of '47 presented their senior class play, "June Mad", scoring another rememberable performance to their credit.

The interest of the play centers around Penny Wood, a lovable adolescent, who falls in love with a smooth college man, Roger Van Vleck. At the beginning of the play Penny is but a little girl who is interested only in sports and the like. She shares all her time with the son of a neighboring family, Chuck Harris, whose interest for airplanes leads into many unusual events. When Mervyn comes home from college he brings along the handsome and charming Roger Van Vleck. Penny, in hopes of making him notice her, attempts to play the role of a woman of the world. Her plan is broken, though, when Roger becomes interested in Mervyn's girl friend and Chuck's sister, Julie Harris. Penny finally realizes that it's a lot more fun with Chuck, even if they are only "kids", and the story comes to a happy and exciting ending.

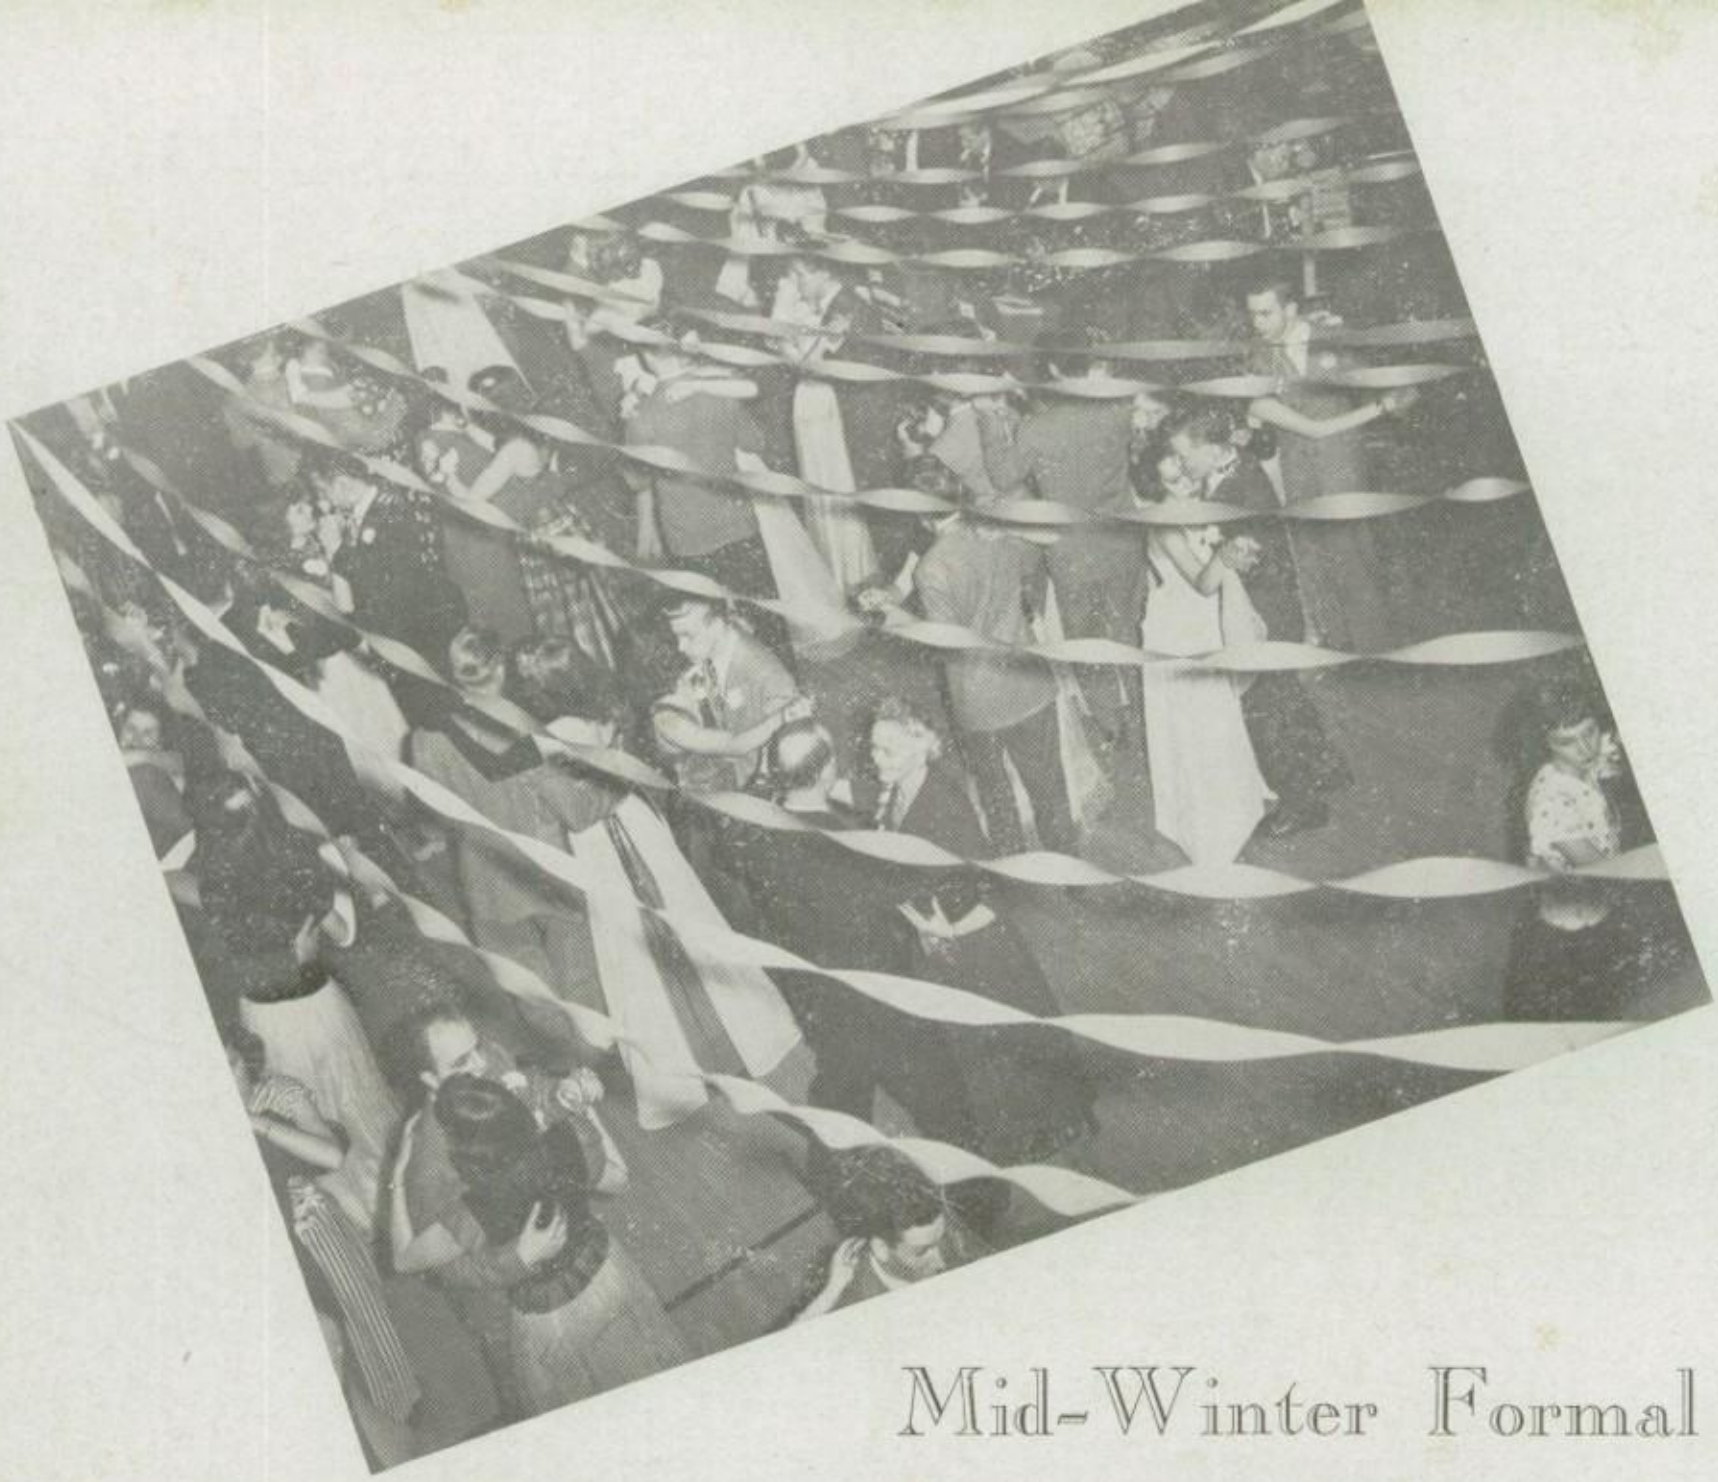
In the high school auditorium on Friday night, May 23, at 8:00, the curtain slowly rose, revealing the Juniors' first triumph in the dramatic field, "Spring Fever".

The play was a sparkling three-act comedy that dealt largely with the problems of Howard, Ed, and Vic, three college fellows, just before graduation. Like most boys, they too had girls who complicated their lives. The character actors, whose parts helped liven the play, wove together with the rest of the cast to form a very entertaining plot.

The success of the class play was due largely to the able cast who did a perfectly splendid job of acting. However, much credit should be given to Miss Marshall, whose capable direction made it possible for the cast to give an outstanding performance.



Mid-Winter Formal

It was just the right touch to bring our happy Christmas holidays to an end. The Mid-Winter formal, held on January 4, 1947, was a beautiful affair. The decorations of huge red and white candy sticks, with gingerbread men and toy balloons hanging everywhere, gave a true Christmas atmosphere. A huge Christmas tree enlightened one corner of the gym, and around the wall in the other corners were snuggled huge sprays of pine boughs. Bob Hudson and his orchestra provided the sweet, mellow music for the evening's dancing and our Lord and Lady reigned majestically throughout the evening.

Junior Prom

Sweet music, soft lights, a swell dance floor, and a wonderful dancing partner amid elaborate decorations — what more could anyone ask for?

The junior prom of 1947 and the date, May 16, will be a bright spot in the memories and hearts of everyone attending it. The swirling folds in the skirts of evening dresses turned gently to the pleasing music of Larry Evert and his orchestra.

Amidst an unusually pleasing theme of "Old Lamplighter", the royalty, King Tom Kennedy and Queen Norma Hauser, were crowned. They reigned graciously throughout the affair.

Everyone was sorry to see the evening come to an end, and we are sure this prom will be remembered by all.

Every student in school looks forward to the enjoyment athletics bring to them. Athletic games are the chief entertainment for most high schools and we were fortunate to have so many talented boys. Athletics enable the boys participating to express their talents and desires and it is next to impossible to estimate the value the boys get from participation in these outside activities.

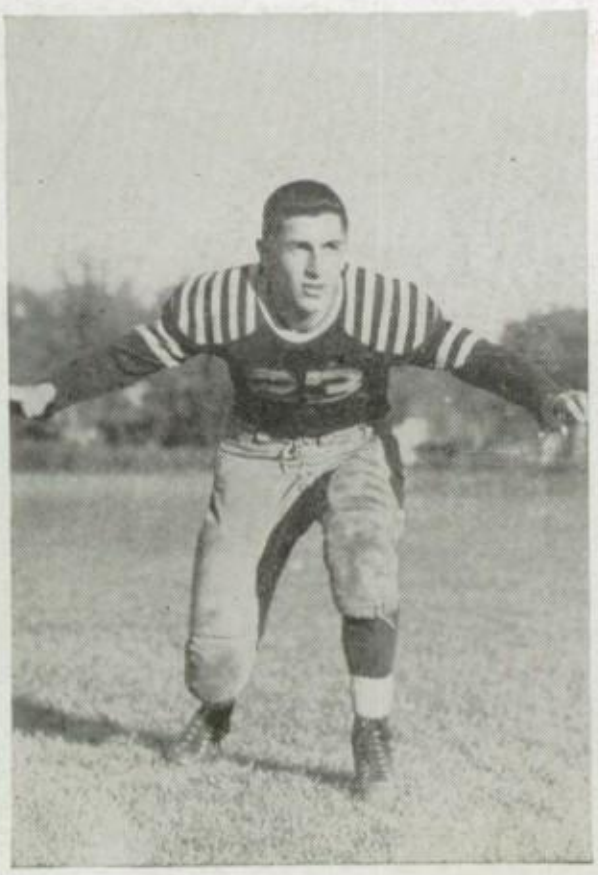
RAY AUCHTER

END

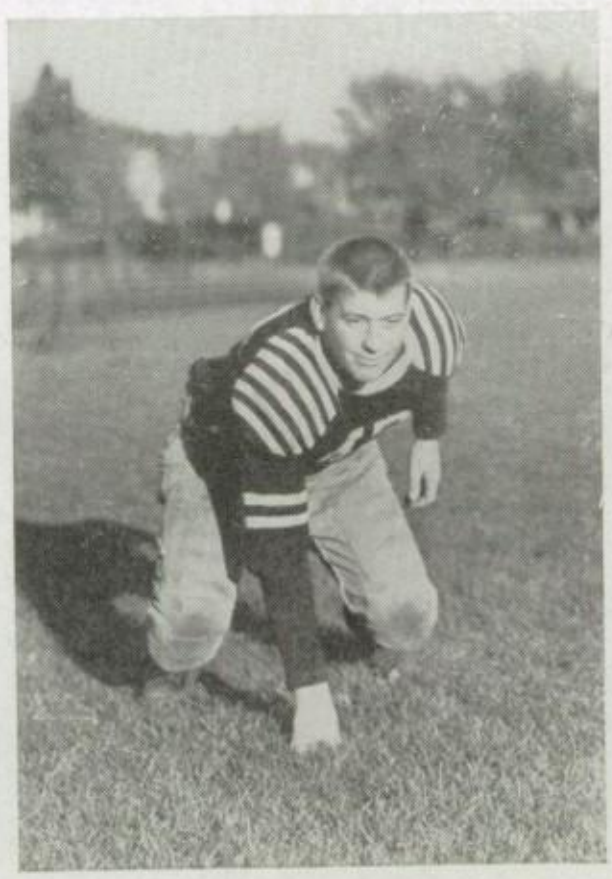
Ray worked hard at his position to clear the way for the backs around end. His fine pass receiving should be commended.



DUANE TESSMAN

TACKLE

Tessy's fine line blocking and stellar defense work were outstanding all year. We expect big things from him next year.



FLOYD FROELICH

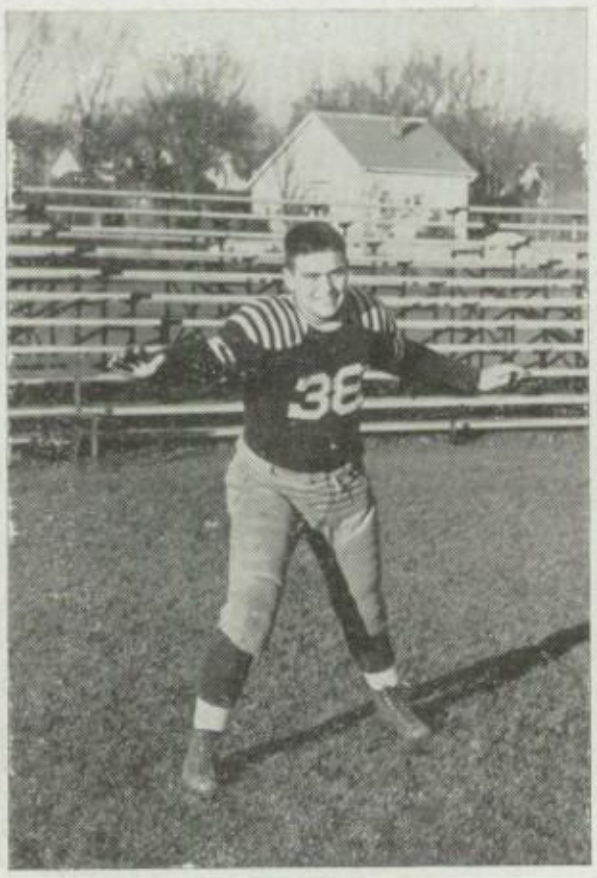
Floyd's excellent down-field blocking opened the way for many a touchdown.

EARL ROTH

GUARD

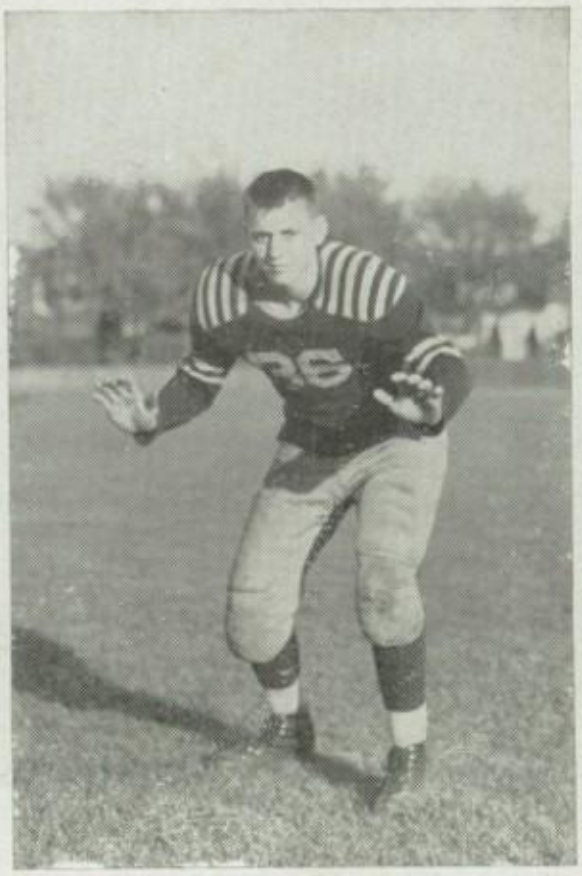
Either the opponents' back field got going fast or not at all because "Otto" drove in very hard.



TOM LANE

TACKLE

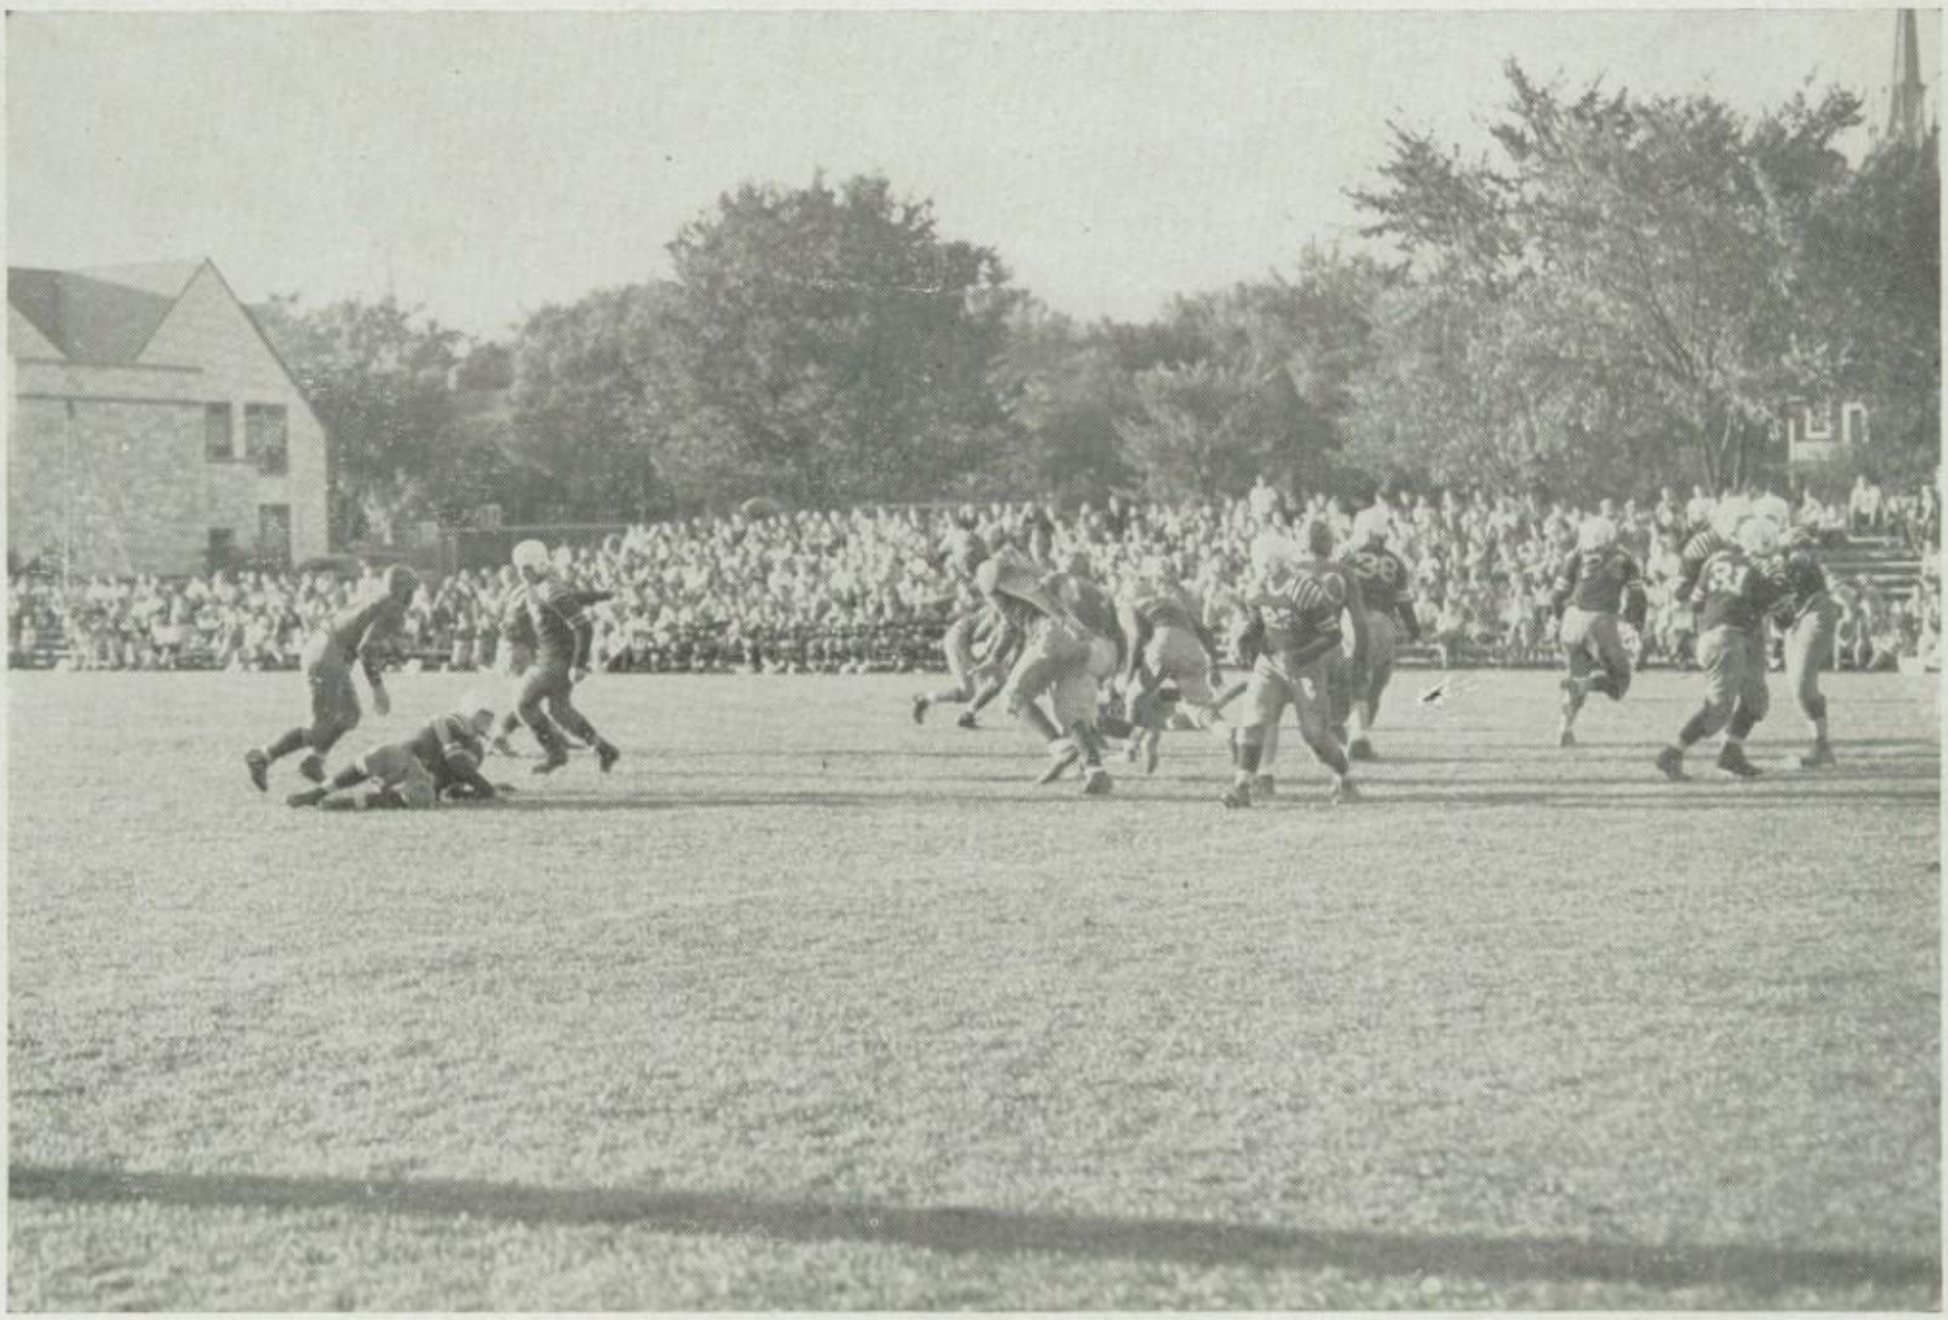
Besides his educated toe, "Shady" showed plenty of gumption in blocking and tackling.

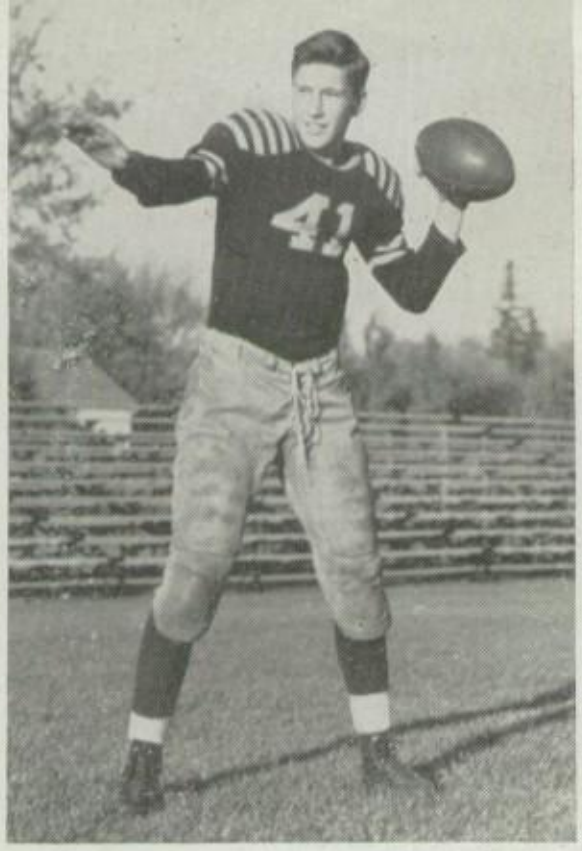


FRED AEGETER

END

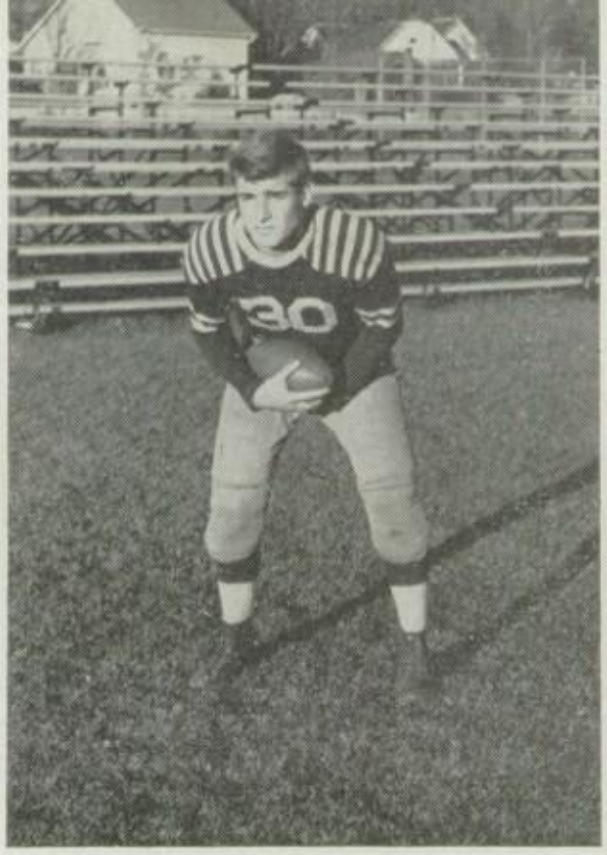
Although he was only in there on offense, he did his share of clearing the way for our backs.





JACK DABAREINER
HALFBACK

Jack was a hard working back. His defensive play halted many runs that would have meant defeat.

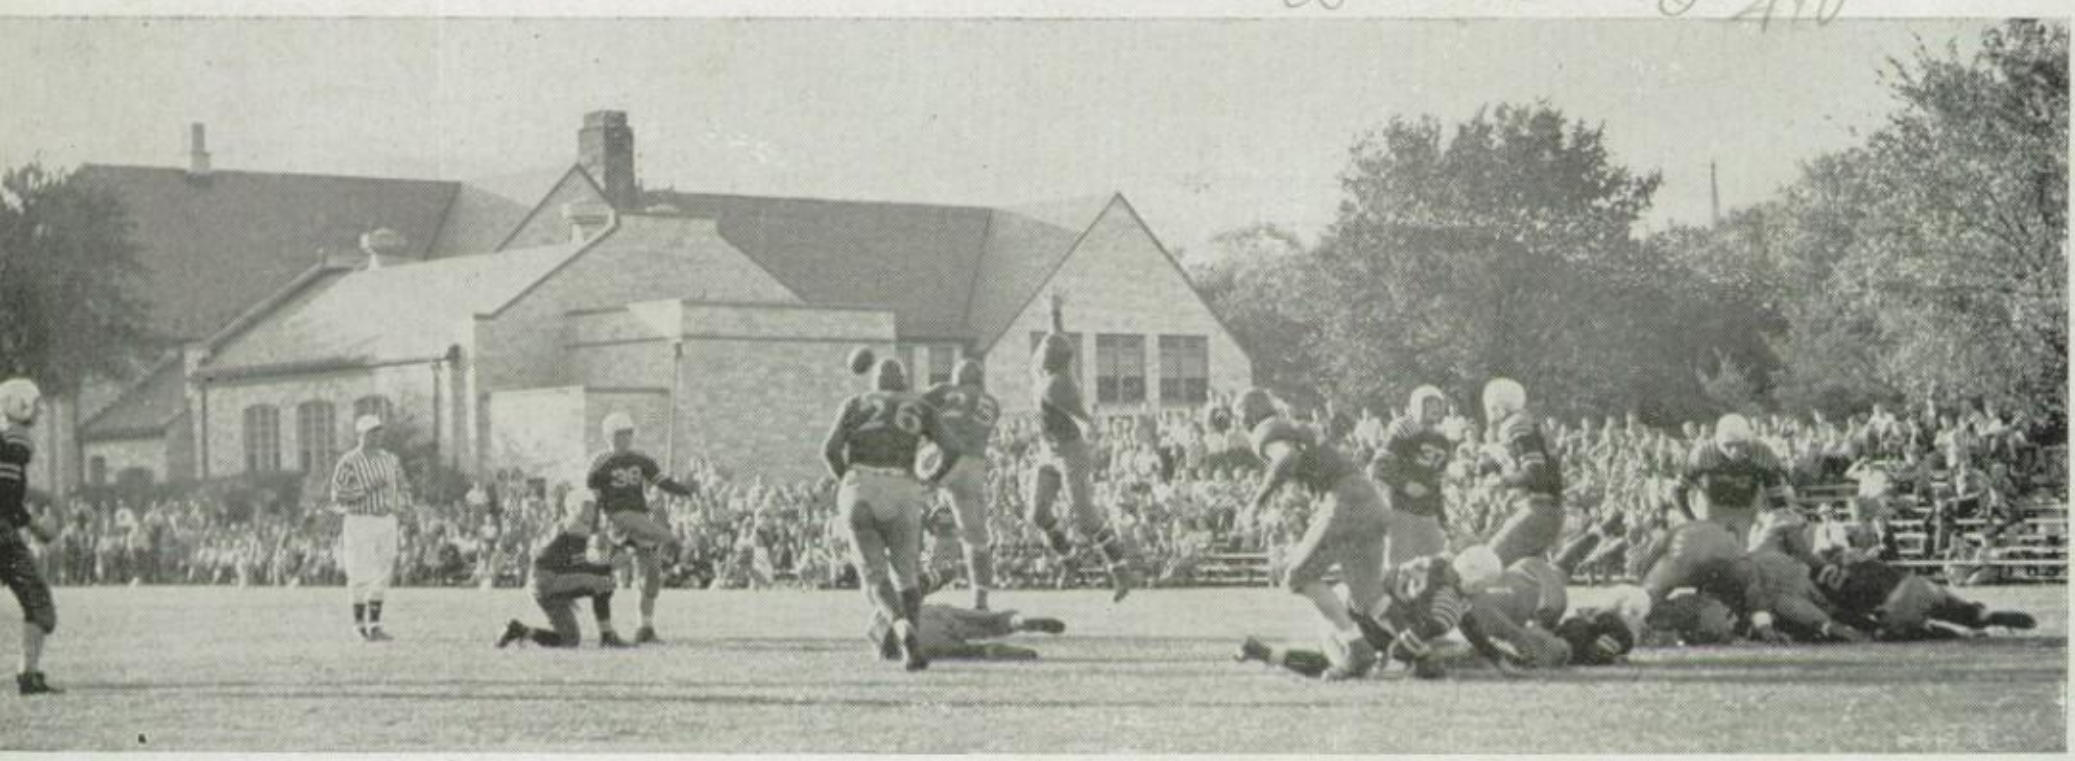


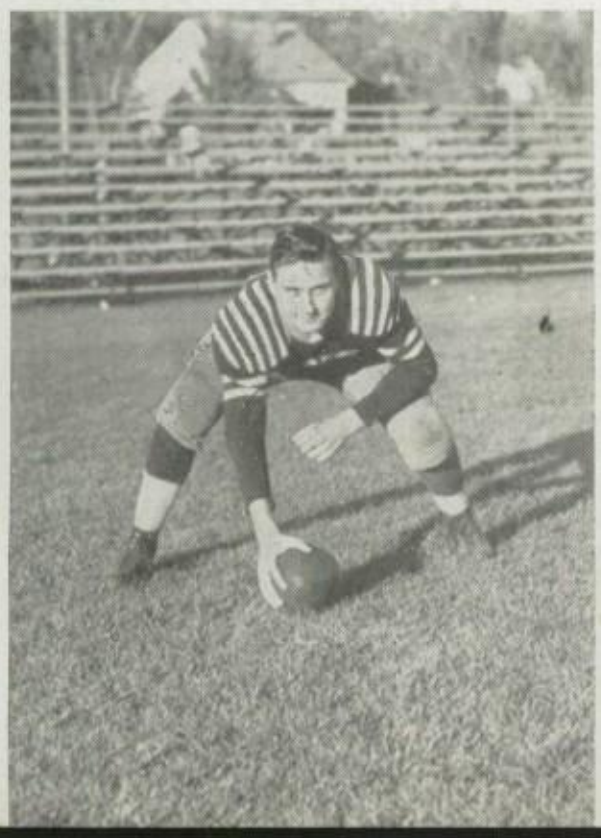
EDWARD BLANK
QUARTERBACK

Besides his good running and blocking, Ed was the brains of the team, and he should be given a lot of credit for our victories.

WARREN LEY
LEFT END

"Sookie" has exceptional running, blocking, tackling, and passing all to his credit.



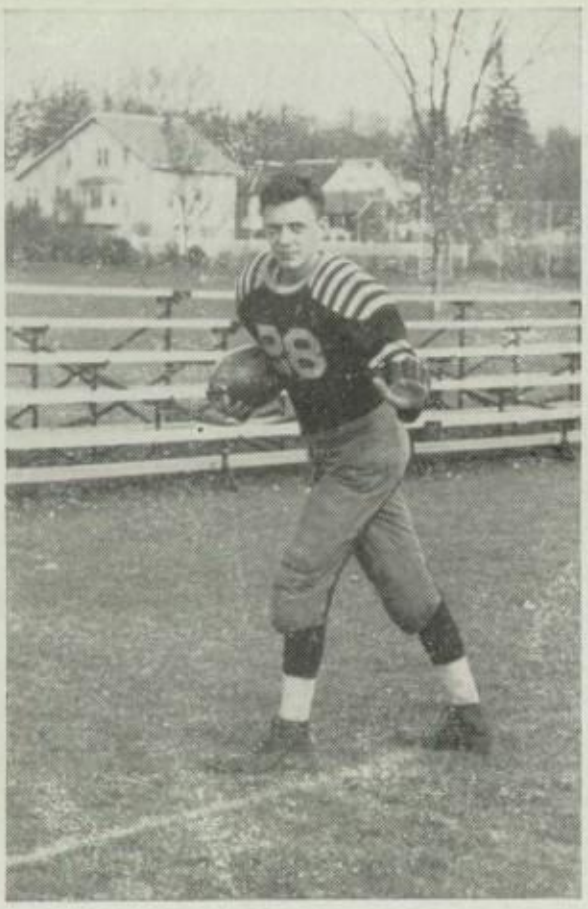


JAMES TOOGOOD
CENTER

Opponents' center plunges did them little good with "Tooge" filling up the holes.

WILLIAM LEY
FULLBACK

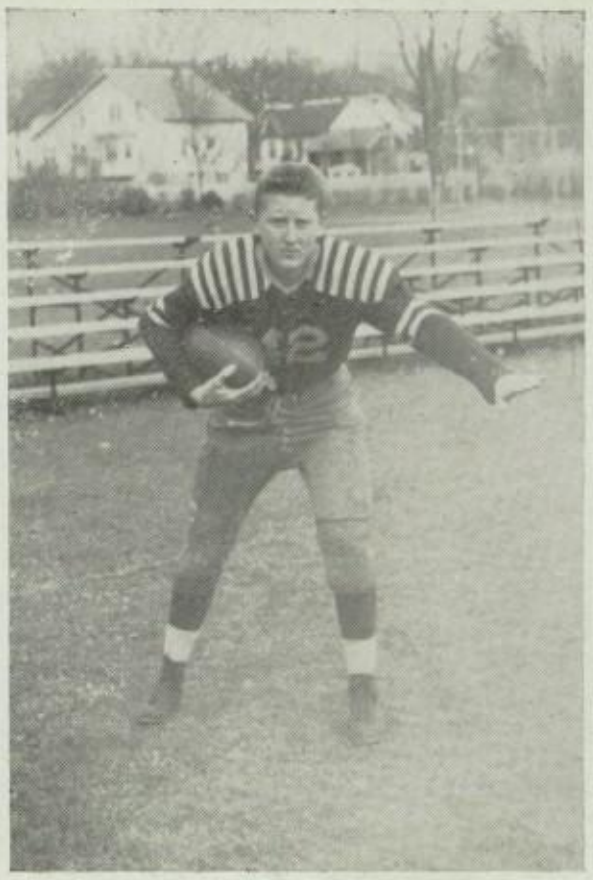
"Baby" was a hard runner and did most of his running with his head down. As a line breaker he was



HOWARD McCUNE

HALFBACK

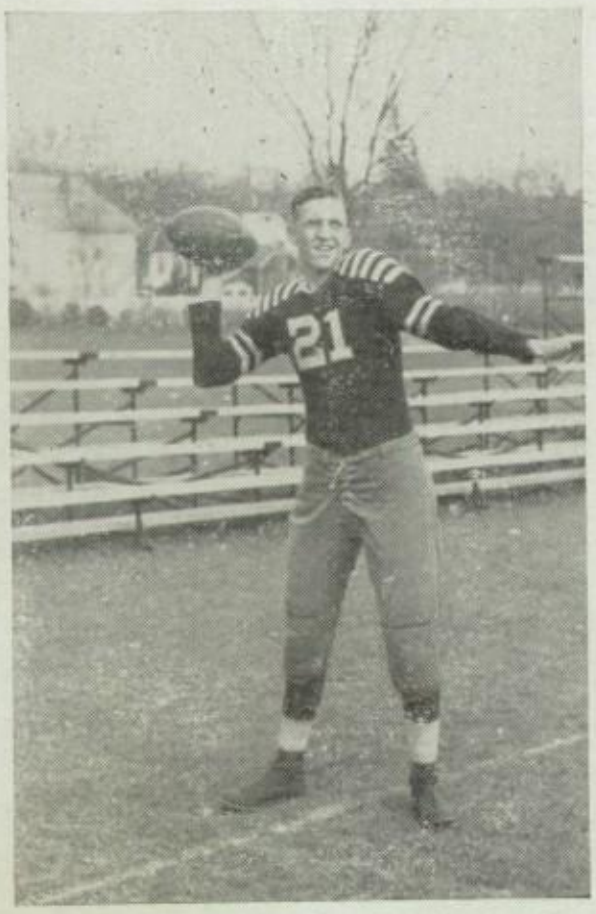
Another senior letterman who made up for his size by having great ability to run down the broken field.



JERRY STUEBER

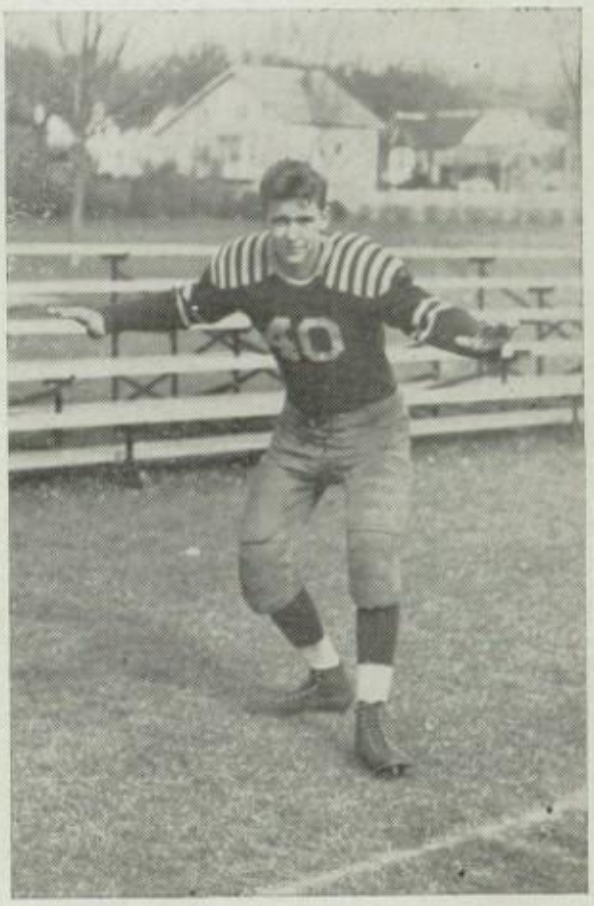
QUARTERBACK

Jerry was a shrewd play caller when he was in the game, and a very rugged blocker.



EARL FROMADER

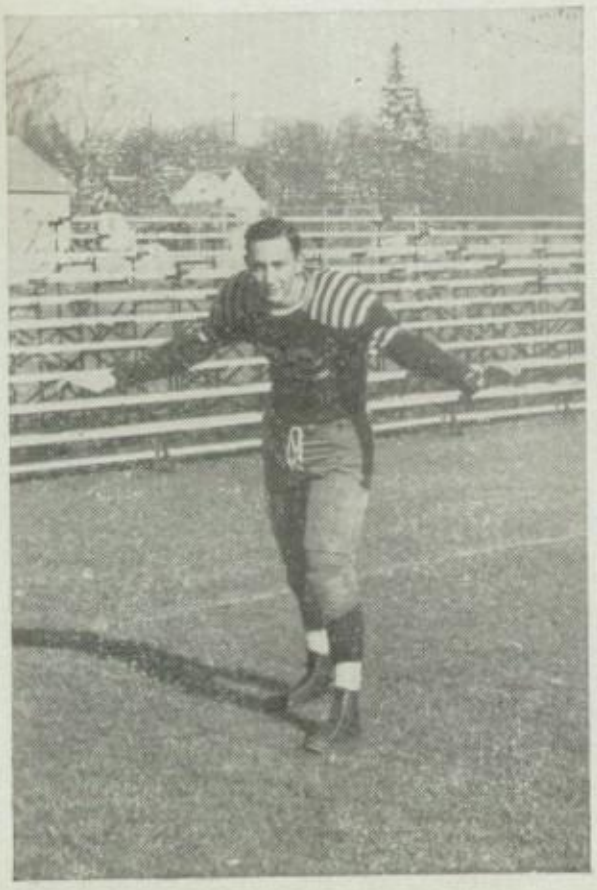
"Peanuts" was a valuable defense man, playing the left half when "Sooky" shifted to end.



FRANKLIN MERSON

END

"Spitter" was a rugged end who broke into the opponents' backfield more than once.



DON RICKERS

TACKLE

"Ricky" saw a lot of action this year, starting one game and playing in most of the rest.

TOM KENNEDY

HALFBACK

A shifty, hard driving fullback. He could really hit those holes. He should be the chief ground gainer next year.

Milton 6--Eagles 20

In their first conference game of the season Jefferson rolled over Milton with a score of 20 to 6.

In the first quarter both teams were well matched, and the quarter ended without a score. Both teams were trying to find the weak spots of their opponent. The battle was hard and heavy all the way through the first period.

The second quarter proved to be more exciting. The Eagles started a drive from about midfield. The drive carried them down to the six yard line, and from there a pass from Kennedy to "Sooky" scored the first touchdown of the game. Lane's try for the extra point was good. Later on in the same quarter, Jefferson worked its way to within 7 yards of the goal. A pass from "Sooky" to Deby chalked up another 6 points. Lane again converted.

In the third quarter Milton came through with a pass from Fish to Stondall, who ran it over for Milton's first score. Fish's attempt for the extra point was no good. Although they tried, the Eagles could not get a score in the third period.

The last quarter was a tough one for both teams. But the Eagles came through with one more touchdown. Baby plunged through the center for the touchdown that cinched the game for them. Lane's kick for the extra point was not good. As the game was nearly over, the Milton 11, in final desperation, started, but the second string for Jefferson deflected most of the passes, and the game ended with Milton still throwing wild passes.

Evansville 0--Eagles 27

Seven days after their victory over Milton, the Eagles again trounced a conference opponent. This time it was the Evansville eleven.

After a few minutes of play in the first quarter, the powerful Eagle team moved the ball up to within the eight yard line of their opponents. From there "Sooky" carried the ball on an off tackle play for the first score. Lane then converted. The rest of the quarter the Eagles coasted through, thinking of an easy victory. No scoring was done by either team.

The Eagles got a big surprise in the second quarter, for the small Evansville team suddenly stopped the Jefferson team. Try as they would, the Eagles could not push the pigskin over for another touchdown. All through this period the ball was moved from one end of the field to the other, but it never went over the goal. The half ended and the Eagles led, the score 7-0.

The Eagles gave the Evansville eleven a big surprise only 45 seconds after the second half had started. "Sooky" Ley broke off tackle on a 55 yard run to make the score 13-0. Lane again made it 14 and the game carried on. Later in the quarter a 40 yard pass from "Deby" to Ray marked up a third touchdown for the Eagles. Lane's kick missed the uprights by inches. The quarter ended with the score 20 to 0, the Eagles still leading.

Feeling better now with a good margin behind them, the Eagles started the last stretch. "Sooky" passed another 40 yards and Ray received for the last score of the game. Lane plunged off tackle for the extra point and the Eagles left the field with two conference wins behind them.

Evansville 13--Eagles 26

At the Monary Stadium, located in Janesville, the Jefferson Eagles took to the field to play their third conference game.

After the first five minutes of play the mighty Eagles forged their way to the one foot line. From there, "Sooky" plunged off tackle for the first six points of the game. Lane's kick for the extra point was good. The Janesville Bluebirds fought hard for the rest of the quarter. Jefferson could not score, but neither could the Bluebirds.

In the second quarter, both of the teams chalked up a touchdown. The Eagles scored when Warren Ley broke off tackle for a 29 yard run. Lane's kick was no good. The Bluebirds came back with a 33 yard run, by Emmerson, which accounted for six of their points.

After that both teams dug in and held. The half came and the score was 13-6, with the Eagles leading.

The kick-off starting the second half proved to be very sensational. Jefferson received. The ball came floating down the field. Deby took it and, under the cover of Blank, lateralled it to "Sooky" who ran 75 yards without being noticed. The crowd went wild. Lane booted the extra point. Jefferson was forced to punt later on in the quarter, but "Shady" recovered the forty-two yard punt, and Jefferson had 8 yards to go for a touchdown. A pass from Deby to Ray accounted for the last touchdown for Jefferson.

Our second team played the whole last quarter. Although they let Janesville get one touchdown,

Lake Mills 20--Jefferson 20

On the night of October 25, a record crowd gathered at the Lake Mills stadium to witness one of the most spectacular displays of football playing ever seen around these parts in many a year. This game was a play-off for the championship, both ball clubs having won three and lost none of their conference games. The first score of the game came in the first quarter after six minutes of play. Jefferson had gained possession of the ball and drove into scoring territory when "Sooky" Ley took the pigskin on the eighteen yard line and drove off the tackle for a touchdown. Lane's try for the extra point was good. It was with five minutes remaining until the half when Jefferson started another drive, climaxing it with a ten yard plunge off tackle by "Sooky" Ley for the score. The try for the extra point was no good. The game was a see-saw affair until the half, with neither team in scoring position. At the half Jefferson went off the field with a comfortable 13-0 lead. On the kick-off after the half, Jeff's hopes were slightly dampened when Girke, Lake Mills' fullback, took the ball on his own 20 yard line and put on a beautiful exhibition of running as he wove his way for eighty yards and Lake's first score.

The extra point was good. Jefferson took the kick-off and drove downfield for a touchdown. Babe Ley did the carrying and went over from the twelve yard line. Blank holding, Lane kicking, the try for the extra point was good. Lake Mills received the returning kick-off. They started on a drive of their own. Passing and running down the field, they reached the twenty yard line, where Petruska took the ball and ran the rest of the way. The point after the touchdown was good. After a few more minutes of play, with neither team in scoring position, the third quarter ended. As the fourth quarter started Lake Mills gained possession of the ball and started the last drive which went all the way with Petruska going the last five yards. The all important try for the extra point was good. At this point the game was tied, 20-20. Jefferson took the kick-off and started down the field again. They had gotten to the Lake Mills eight yard line when the game ended. As the final whistle blew, a noted difference in opinion arose between the referees and some players as to the time keeping
